Payment/Withdrawal Policy - The entry deadline is the deadline to withdraw. The entry deadline is always 10 days prior to the scheduled start date of the event. 100% of the entry will be refunded if the in writing (email) is received by the withdraw deadline. After the withdraw deadline has passed, if a team drops there will be no refunds unless a replacement team can be found and placed in the withdrawing teams spot in the bracket. When a division is full and a waiting list started, the payment deadline may be moved earlier and any unpaid team can be replaced with a paid waiting list team.

Cancelations/Refund Policy – In Pandemic Risk - If the risk of a government mandated shut down exists (due to a pandemic or similar event) we will not be ordering trophies or individual awards until after the event to ensure lower overhead and events specific indirect expenses and increase the credit amount. Any team or individual awards earned will be shipped/delivered to the recipients. If the event is canceled after the registration/withdrawal deadline (10 days prior to event start) but prior to the start of the event, the team will be issued an 100% credit for a future AAD/USSSA event.

Post Pandemic Risk – Once operations have returned to normal there is always a chance an event could be completely rained out or cancelled by a disaster or act of god. Please be aware that up to 40% of the entry fee could be retained to cover the event expenses (event branded awards, event branded trophies, insurance fees, umpire scheduling, printing, branded souvenirs, out of town officials lodging as well as administrative costs and overhead) if the tournament is canceled after the registration/withdrawal deadline (10 days prior to event start), the team will be issued a 60% credit for a future AAD/USSSA event. After any percentage retained is deducted the remaining credit will be based on a prorated amount of games guaranteed. A game that has started but suspended counts as a game played if it cannot be continued.

Game Officials (Umpires) – Since Covid, finding, recruiting and training game officials have become increasingly difficult. That said, every attempt will be made including bringing in out of town/state officials to ensure every game is officiated by two officials. If two officials can not be put on a game the teams involved will receive a refund for the portion of the entry fees allocated to the missing official/s.
