SKILLS COMPETITION INFORMATION

Thank you for participating in the USSSA National Championship for 8U-18UC. This information is in regard to the Skills Competition that will be held on July 8th. There are ample opportunities in this skills competition, and we hope that you take full advantage of this and get as many players involved in this event as possible.

This event will be administered in stations at the park to help organize the activities as much as possible. Please get through these as quickly as you can. These events are on a first come first serve basis.

BASERUNNING RELAY (Track Field)

- Four members from each team will participate in this timed relay. Runner #1 will go home to home and after she crosses home plate, runner #2 will take off, then so on until runner four goes home to home. The top two teams per age group in this relay will win awards.

THROWING- STAR DRILL (Tanger Field)

- Five members from each team will participate in this timed throwing drill. Each player will be located near a marked position on the field to resemble their starting position. The ball starts at the catcher. Catcher throws to

the Shortstop, the Short-stop throws to 1B, the 1B to the 3B, the 3B to the 2B to the Catcher. Each team will get two timed opportunities; best time will be used for ranking. The top two teams per age group will win awards.

CATCHER'S COMPETITION (Fritz Field- Behind Outfield Fence)

- One catcher from each team will participate in this timed competition. The catcher will place all of their equipment near the base. Their task is to apply all of their gear (shin guards, chest protector, helmet and mask), sprint to the next base and back to then remove their gear. Each participant needs to bring their own catcher's gear. Once the last piece of gear hits the ground, time will stop. The top 2 finishers in each age group from the competition will receive awards

PITCHING VELOCITY COMPETITION (Fritz Field – On the Infield)

- There may be a max of 2 participants from each team in this contest. Each participant will get to warm-up pitch followed by 3 "clocked" pitches. Highest speed on an individual pitch will win the contest. In case of a tie, the 2nd fastest speed will be used to break the tie. If necessary, the third fastest pitch will be used if tied after the 2nd fastest pitch. The top 2 individuals per age group will win awards.

This skills competition is to provide a fun atmosphere for the players to interact with teammates and other teams in a relaxed atmosphere of competition and fun. Please be aware that negative behavior from parents or coaches will not be tolerated in any way, shape, or form.
